| <b>Group 9410</b> |           | <b>Spare parts for self-refilling syringe <i>ultra</i> 1810</b> |                           |
| # 01              | 1810.932  | Plunger rod (incl. Part #2, clip)                               | Green colour 0.1 / 0.2 mL |
|                   | 1810.935  |                                                                 | Green colour 0.3 / 0.5 mL |
|                   | 1810.936  |                                                                 | Green colour 1 / 2 mL     |
|                   | 1810.1932 | Plunger rod (incl. Part #2, clip)                               | Blue colour 0.1 / 0.2 mL  |
|                   | 1810.1935 |                                                                 | Blue colour 0.3 / 0.5 mL  |
|                   | 1810.1936 |                                                                 | Blue colour 1 / 2 mL      |
| # 02              | 1810.835  | Clip (10 pces)                                                  |                           |
| # 03              | 1810.961  | Spring, rod (incl. Part #2, clip)                               | 0.1 to 0.5 mL             |
|                   | 1810.962  |                                                                 | 1 mL                      |
|                   | 1810.963  |                                                                 | 2 mL                      |

|      |           |                                         |                     |               |               |
|------|-----------|-----------------------------------------|---------------------|---------------|---------------|
| # 04 | 1810.545  | Socket                                  |                     | 0.1 to 0.5 mL |               |
|      | 1810.546  |                                         |                     | 1 / 2 mL      |               |
| # 05 | 1810.552  | Nut, socket                             |                     |               |               |
| # 06 | 1810.562  | Handle                                  | Green colour        |               |               |
|      | 1810.1562 |                                         | Blue colour         |               |               |
| # 07 | 1810.522  | Nut, casing                             |                     |               |               |
| # 08 | 1810.981  | Plunger, piston (incl. Part #9, O-ring) | stainless steel     | 0.1 mL        |               |
|      | 1810.982  |                                         |                     | 0.2 mL        |               |
|      | 1810.983  |                                         |                     | 0.3 mL        |               |
|      | 1810.585  | Plunger, piston (no O-ring)             |                     | 0.5 mL        |               |
|      | 1810.586  |                                         |                     | 1 mL          |               |
|      | 1810.587  |                                         |                     | 2 mL          |               |
| # 09 | 1810.951  | O-ring (10 pces)                        | Available as a set  | FPM           | 0.1 mL        |
|      | 1810.952  |                                         |                     |               | 0.2 mL        |
|      | 1810.953  |                                         |                     |               | 0.3 mL        |
|      | 1810.971  | Guide for O-ring (10 pces)              | Available as a set  |               | 0.1 mL        |
|      | 1810.972  |                                         |                     |               | 0.2 mL        |
|      | 1810.973  |                                         |                     |               | 0.3 mL        |
| # 10 |           | Replacement barrel, see p.6             | Glass               |               |               |
| # 11 | 1810.921  | Barrel washer (10 pces)                 | FPM                 |               | 0.1 mL        |
|      | 1810.922  |                                         |                     |               | 0.2 mL        |
|      | 1810.923  |                                         |                     |               | 0.3 mL        |
|      | 1810.925  |                                         |                     |               | 0.5 mL        |
|      | 1810.926  |                                         |                     |               | 1 mL          |
|      | 1810.927  |                                         |                     |               | 2 mL          |
| # 12 | 1810.901  | Casing                                  | Green colour        |               | 0.1 mL        |
|      | 1810.902  |                                         | Green colour        |               | 0.2 mL        |
|      | 1810.903  |                                         | Green colour        |               | 0.3 mL        |
|      | 1810.905  |                                         | Green colour        |               | 0.5 mL        |
|      | 1810.906  |                                         | Green colour        |               | 1 mL          |
|      | 1810.907  |                                         | Green colour        |               | 2 mL          |
|      | 1810.1901 | Casing                                  | Blue colour         |               | 0.1 mL        |
|      | 1810.1902 |                                         | Blue colour         |               | 0.2 mL        |
|      | 1810.1903 |                                         | Blue colour         |               | 0.3 mL        |
|      | 1810.1905 |                                         | Blue colour         |               | 0.5 mL        |
|      | 1810.1906 |                                         | Blue colour         |               | 1 mL          |
|      | 1810.1907 |                                         | Blue colour         |               | 2 mL          |
| # 13 | 1810.915  | Cartridge valve, intake                 | Available as a set  | Red colour    | 0.1 to 0.5 mL |
|      | 1810.916  |                                         |                     | Yellow colour | 1 and 2 mL    |
| # 14 | 1810.945  | Cartridge valve, outlet                 | Available as a set  | Red colour    | 0.1 to 0.5 mL |
|      | 1810.946  |                                         |                     | Yellow colour | 1 and 2 mL    |
| # 15 | 1810.635  | Feeding connector                       |                     | Green colour  | 0.1 to 0.5 mL |
|      | 1810.636  |                                         |                     | Green colour  | 1 and 2 mL    |
|      | 1810.1635 | Feeding connector                       |                     | Blue colour   | 0.1 to 0.5 mL |
|      | 1810.1636 |                                         |                     | Blue colour   | 1 and 2 mL    |
| # 16 | 1810.645  | Connector, Luer Lock                    | Chrome plated brass |               | 0.1 to 0.5 mL |
|      | 1810.646  |                                         |                     |               | 1 and 2 mL    |
| # 17 |           | Replacement barrel, see p.6             |                     |               |               |
| # 18 | 187.596   | Sinker                                  | Chrome plated brass |               |               |
| # 19 | 187.592   | Feed needle                             | Chrome plated brass |               |               |
| # 20 | 187.933   | Vent cannula, plastic (10 pces)         |                     |               |               |
| # 21 | 1810.716  | Tubing connector                        | NEW                 |               |               |
| # 22 | 1810.371  | Vial holder body                        |                     |               |               |
| # 23 | 1810.386  | Needle assembly                         |                     |               |               |
| # 24 | 1810.975  | Duckbill (10 pcs)                       | NEW                 |               |               |
| # 25 | 1810.374  | Bottle neck                             |                     |               |               |
